Electoral Register

In August, all householders should have received a 'Household Enquiry Form' from Cotswold District Council which must be completed to ensure your right to vote. This needs to be completed and returned to CDC in the prepaid envelope provided OR you can fill in the form online at www.householdresponse.com/cotswold (you will need the two part security code sent out with the form). If you haven't received the form contact the electoral registration officer at Cotswold District Council on 01285 623002.

Andoversford Surgery

As you may be aware, Sixways Clinic has a branch surgery in Andoversford. For some time it has not been possible to make use of this site as it does not meet required standards in terms of IT and system access, privacy and infection control. The Partners have considered a number of options in consultation with the local clinical commissioning group and there has been a period of consultation with registered patients around the future of the branch surgery, and the possibility that this may be formally closed.

Although the survey period closed at the end of July it may still be possible to make your views known by picking up a copy of the survey at the surgery or by logging on via Systmonline and clicking on the Records>Questionnaires tab, or [click here](#).

Annual General Meeting

The Show at Brockhampton A.G.M will take place in the Rhodes Memorial Hall, Brockhampton on Tuesday 24th October at 6pm.

The Final Season?

Rural Cinema in Brockhampton has been running for 15 years starting with a showing

of Gosford Park in September 2002. Since then, we've shown some good films and a few stinkers. "Behind the Chandelier", a rather too in depth treatment of Liberace's love life, is one that haunts the memory.

There has been an audience of between twenty and forty for the majority of showings – sometimes out of interest but maybe sometimes out of loyalty.

Bill, who has run the shows, feels it is time for him to stand down and intends this to be his last season. That being so, it seems time to consider whether some of you could or would take it on. It also gives a chance to perhaps set up as a film club as they have in Winchcombe and Charlton Kings. This would enable a free choice of films and a chance to plan a season's programme in advance. Becoming a society would mean acquiring a projector but prices are falling. After that access to a suitable media player would not be too difficult to arrange. Any thoughts? Please email them to films@sevenhampton.info.

Dog Mess

Once again we have been asked to remind people to pick up after their dogs. Dog mess is a health hazard and very unpleasant to see and smell. Leaving dog mess in a public place is also an offence which makes the dog owner liable to a fine of up to £1,000.

New Dog Bin

The Parish Council is hoping to provide an additional dog poo bin in Church Lane. However if you are not able to use one of the designated bins you can leave suitably bagged dog poo for the waste collection service in your non-recyclable waste container but not in the garden/kitchen waste or recycling containers.

Parish Council

The next meeting of Sevenhampton Parish Council will take place at 7.30pm on Wednesday 15th November in The Reading Room, Rhodes Memorial Hall, Brockhampton, GL54 5XH.

Open to all, there will be a question and answer session during the meeting if required.

Damp, dank and drear, is it November? Hope October brings some relief. WI's Open meeting brings an Irish airline pilot. Ryanair Day off? (2nd Oct) Don't miss Robert's Annual Engine Day Crank Up at Manor Farm on Oct 22nd.
