Published for the residents of Sevenhampton and Brockhampton, Gloucestershire.
Sponsored by Sevenhampton Parish Council & The Show at Brockhampton

The success of Community Cinema continues. Last month's "Mamma Mia 2" went down a storm. February's offering of "The Children Act" is more serious but had great reviews. If you've not been yet - make a date for 14th Feb. Nothing else to do on that date, surely.

Maybe time to remind you all that there are quite a few fitness classes at the Village Hall. Some have scary titles like "Far Peak Fitness" with implications of distance & steep slopes. Sounding less worrying is "Active Balance" for the creakier amongst us. Details of all classes: www.sevenhampton.org.

Something else to consider is becoming a volunteer driver for the "Sevenhampton Good Neighbourhood Scheme". This scheme exists to provide necessary journeys for a variety of reasons. Often there are few requests but the scheme is essential in the absence of alternatives. Some drivers have moved away, others are approaching the driver upper age limit so new volunteers are useful. Ride recipients and drivers are all friendly so taking part is "Win,Win". Coordinators are Sheila Agius 820102, Di Brown 820271 & Lynne Jackson 820408. Give one of them a ring to talk about it. Good to know that the pub is reopening on Feb 6th after its alterations. Looking forward to its revamped menus.

Changes to Waste & Recycling Collections

Cotswold District Council has approved changes to the Waste and Recycling collections.

New state-of-the art collection vehicles will come into service during the latter half of 2019.

The new fleet will enable the Council to collect a much wider range of items; this means that residents will be able to recycle used textiles, household batteries, electrical and electronic equipment, and Tetrapak cartons at the kerbside for the first time.

Additional service changes will be introduced, with the most noticeable being:

- the separation of the weekly food waste collections from garden waste to produce better quality recycled products in line with county-wide practices;
- provision of bigger and more robust household food caddies and cardboard recycling sacks;
- a switch to fortnightly garden waste collections with a three month suspension of the service during winter months. It has also been proposed to reduce the cost of garden waste licences.

More Drivers Wanted

The 21st AGM was held on 8th January, 65 journeys were organised in 2018, we will be losing some volunteer drivers due to re-location and age, so could do with one or two more drivers, even though we are not so busy having sadly lost some of our regulars. **If you think you can help contact a coordinator (see below).**

CENTURY CLUB

The Century Club meets on the Second Tuesday of the month in the village hall at 3.0 pm. Anyone of retirement age is welcome to join, a talk or activity is followed by a substantial tea. Sometimes there are lunchtime or afternoon outings.

On Tuesday 12th February there will be an interesting meeting with John Heathcott, a Cotswold Warden, coming to talk to us.

Also we are planning a charitable raffle. You will remember Neil Alcock demonstrating his lovely pottery. He has very kindly donated some of the pieces he made for us as prizes in a raffle to raise a donation to a charity, the British Heart Foundation has been suggested. The tickets will be sold at the February meeting.
