Not a lot to report really. Winter continues apace - hopefully a let up very soon.

The village has lost three old friends in the past weeks, Helen Mather, Irene "Rosie" Rose and our special friend, Ros Stewart. All had had full lives but all will still be much missed.

Items for the next issue (June/July) by 20th. May Please.

We are very fortunate that

Stuart Boreham has agreed to be the speaker. In 2004 Stuart rowed across the Atlantic, becoming the first physically disabled person in the world to row an ocean unassisted and unsupported. The story of his journey is truly inspirational and he now uses this experience to moti-

Helen Mather

Helen Mather asked us to thank everyone for the support she had received during her stay in hospital.

She was overwhelmed by the kindness of friends in the village and wanted you all to know how much it was appreciated.

Although she sadly passed away on Easter Sunday, we think she would still have wanted you all to know, your generosity did not go unnoticed.
